Interlude

Verse

Ain't no sunshine when she's gone.
It's not warm when she's away.
Ain't no sunshine when she's gone
And she's always gone too long anytime she goes away.

Verse

Wonder this time where she's gone,
Wonder if she's gone to stay
Ain't no sunshine when she's gone
And this house just ain't no home anytime she goes away.

Special

And I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know, I know, I know
Hey, I ought to leave the young thing alone,

Verse

But ain't no sunshine when she's gone,
Only darkness everyday.
Ain't no sunshine when she's gone,
And this house just ain't no home anytime she goes away.

Ending

Anytime she goes away.
Anytime she goes away.
Anytime she goes away.
Anytime she goes away.

Verse

Oh baby, baby
How was I supposed to know
That somethin' wasn't right?

Verse

Oh baby, baby
I shouldn't have let you go
And now you're outta sight

Transition

Show me how you want it to be
Tell me baby 'cause I need to know now
Oh because

Chorus

My loneliness is killin' me
I must confess I still believe
When I'm not with you I lose my mind
Give me a sign, hit me baby one more time

Verse

Oh baby, baby
The reason I breathe is you
Now, boy you got me blinded

Verse

I bet you baby
There's nothing that I would not do, no
It's not the way I planned it

Transition

Show me how you want it to be
Tell me baby 'cause I need to know now
Oh because

Chorus

My loneliness is killin' me
I must confess I still believe
When I'm not with you I lose my mind
Give me a sign, hit me baby one more time

Chorus

Oh baby baby, oh baby baby
Oh baby, baby
How was I supposed to know
Oh baby, baby
I shouldn't have let you go

Chorus

I must confess that my loneliness is killing me now
Don't you know I still believe?
That you will be here and give me a sign
Hit me baby one more time

Chorus

My loneliness is killin' me
I must confess I still believe
When I'm not with you I lose my mind
Give me a sign, hit me baby one more time

Chorus

I must confess that my loneliness is killing me now
Don't you know I still believe?
That you will be here and give me a sign
Hit me baby one more time

Creep

Lyrics and Music by Radiohead

Med. Ballad

Verse

When you were here before
 Couldn't look you in the eye
 You're just like an angel
 Your skin makes me cry

Verse

You float like a feather
 In a beautiful world
 I wish I was special
 You're so fucking special

Chorus

But I 'm a creep
 I 'm a weirdo
 What the hell am I doing here?
 I don't belong here

Verse

I don't care if it hurts
 I want to have control
 I want a perfect body
 I want a perfect soul

Verse

I want you to notice
 When I'm not around
 You're so fucking special
 I wish I was special

Chorus

But I'm a creep
 I'm a weirdo
 What the hell am I doing here?
 I don't belong here

Chorus

She's running out again
 She's running out
 She run, run, run run
 Run

Verse

Whatever makes you happy
 Whatever you want
 You're so fucking special
 I wish I was special

Chorus

But I'm a creep
 I'm a weirdo
 What the hell am I doing here?
 I don't belong here
 I don't belong here.

 When no ones in a hurry therell be days like this
 When all the parts of the puzzle start to look like they fit
 Then I must remember therell be days like this

When you dont need an answer therell be days like this
 When you dont meet a chancer therell be days like this
 When you dont get betrayed by that old judas kiss
 Then I must remember therell be days like this

 When you dont have no freeloaders out to get their kicks
 When its nobodys business the way that you wanna live

 When people understand what I mean therell be days like this

Music by Alphaville

Med. Ballad

Intro

Intro

C G⁷ Am F G⁷ Dm F C G⁷

Verse

Ho-ping for the best but expecting the worst Are you gonna drop the bomb or not? Let

The musical score is written on a single staff with a treble clef. The lyrics are: "Ho-ping for the best but expecting the worst Are you gonna drop the bomb or not? Let". The score is divided into measures by vertical bar lines. Above the staff, there are guitar chord diagrams and their corresponding names: G⁷, Dm, F, Am, and G⁷. The chord diagrams show the fretting patterns for each chord on a six-string guitar. The lyrics are placed below the staff, aligned with the notes. The melody consists of eighth and quarter notes, with some measures containing beamed eighth notes. The final measure ends with a double bar line and a repeat sign.

Opening

Don't look at me

Verse

Everyday is so wonderful
 Then suddenly
 It's hard to breathe
 Now and then I get insecure
 From all the pain
 I'm so ashamed

Chorus

I am beautiful
 No matter what they say
 Words can't bring me down
 I am beautiful
 In every single way
 Yes words can't bring me down
 Oh no
 So don't you bring me down today

Verse

To all your friends you're delirious
 So consumed
 In all your doom, ooh
 Trying hard to fill the emptiness
 The pieces gone
 Left the puzzle undone
 Ain't that the way it is

Chorus

You're beautiful
 No matter what they say
 Words can't bring you down
 Oh no
 You're beautiful
 In every single way
 Yes words can't bring you down
 Oh no
 So don't you bring me down today

Chorus

No matter what we do
 (No matter what we do)
 No matter what we say
 (No matter what we say)
 We're the song inside the tune
 (Yeah, oh yeah)
 Full of beautiful mistakes

Chorus

And everywhere we go
 (And everywhere we go)
 The sun will always shine
 (The sun will always, always, shine)
 And tomorrow we might awake
 On the other side

Chorus

We're beautiful
 No matter what they say
 Yes words won't bring us down
 Oh no
 We are beautiful
 In every single way
 Yes words can't bring us down
 Oh no
 So don't you bring me down today

Chorus

Oh, oh
 Don't you bring me down today
 Don't you bring me down, ooh
 Today

Verse

He had white Horses
And ladies by the score
All dressed in satin
And waiting by the door

Chorus

Ooooh, what a lucky man he was
Ooooh, what a lucky man he was

Verse

White lace and feathers
They made up his bed
A gold covered mattress
On which he was led

Chorus

Ooooh, what a lucky man he was
Ooooh, what a lucky man he was

Verse

He went to fight wars
For his country and his king
Of his honor and his glory
The people would sing

Chorus

Ooooh, what a lucky man he was
Ooooh, what a lucky man he was

Verse

A bullet had found him
His blood ran as he cried
No money could save him
So he laid down and he died

Chorus

Ooooh, what a lucky man he was
Ooooh, what a lucky man he was

Lyrics by Sting

Med. Ballad

Music by Sting, Dominic Miller

Verse
and
chorus

men doubling

Special

Verse

He deals the cards as a meditation
And those he plays never suspect
He doesn't play for the money he wins
He doesn't play for respect

Verse

He deals the cards to find the answer
The sacred geometry of chance
The hidden law of a probable outcome
The numbers lead a dance

Chorus

I know that the spades are swords of a soldier
I know that the clubs are weapons of war
I know that diamonds mean money for this art
But that's not the shape of my heart

Verse

He may play the jack of diamonds
He may lay the queen of spades
He may conceal a king in his hand
While the memory of it fades

Chorus

I know that the spades are swords of a soldier
I know that the clubs are weapons of war
I know that diamonds mean money for this art
But that's not the shape of my heart
Shape of my heart

Verse

And if I told you that I loved you
You'd maybe think there's something wrong
I'm not a man of too many faces
The mask I wear is one

Verse

Those who speak know nothing
And find out to their cost
Like those who curse their luck in too many places
And those who fear are lost

Chorus

I know that the spades are swords of a soldier
I know that the clubs are weapons of war
I know that diamonds mean money for this art
But that's not the shape of my heart

Talkin' Bout A Revolution

Lyrics and Music by Tracy Chapman

upbeat

[A]

Don't you know you're talking about a revolution
It sounds like a whisper
Don't you know they're talking about a revolution
It sounds like a whisper

[A]

While they're standing in the welfare lines
Crying at the doorsteps of those armies of salvation
Wasting time in unemployment lines
Sitting around waiting for a promotion

[A]

Don't you know you're talking about a revolution
It sounds like a whisper

[A]

Poor people are gonna rise up
And get their share
Poor people are gonna rise up
And take what's theirs

[A]

Don't you know you better run, run, run, run, run,
run, run, run, run, run, run, run, run, run
Oh I said you better run, run, run, run, run, run,
run, run, run, run, run, run, run, run

[A]

Finally the tables are starting to turn
Talking about a revolution
Finally the tables are starting to turn
Talking about a revolution oh no
Talking about a revolution oh no

[A]

While they're standing in the welfare lines
Crying at the doorsteps of those armies of salvation
Wasting time in unemployment lines
Sitting around waiting for a promotion

[A]

Don't you know you're talking about a revolution
It sounds like a whisper

[A]

And finally the tables are starting to turn
Talking about a revolution
Finally the tables are starting to turn
Talking about a revolution oh no
Talking about a revolution oh no
Talking about a revolution oh no
